PROCEDURA PER L'ISCRIZIONE A FSHUB

- Andare sul sito FSHub e cliccare in alto a sinistra su "register". Inserire il callsign "VAFXXX Nome" e indirizzo email (Fig. 1).
- Si riceverà un'email con il link di attivazione e la richiesta di inserire una Password
- Effettuare il Login (Fig. 2)

The screenshot shows the 'Account registration' page on the FSHub website. The page has a dark background with white text. At the top, there is a navigation bar with links for 'About', 'FAQs', 'Help', 'Forums', 'Radar', and 'Video'. On the right side of the navigation bar, there is a clock showing '09:31z' and links for 'Login' and 'Register'. The main heading is 'Account registration'. Below the heading, there is a paragraph of instructions: 'In order to create a user account please complete the form below ensuring that your email address is correct. If you have any issues during our simple account registration process please see our Help section.' The form consists of three input fields: 'Your name' (with a person icon), 'Email address' (with an envelope icon), and a checkbox labeled 'Non sono un robot' next to a reCAPTCHA logo. To the right of the form, there are two informational notes: 'Once you click the "Register" button we will send you an email with an activation link of which you will then be asked to set a password!' and 'If you do not receive an account activation email after five minutes you can use the password reset feature to request a new password.' At the bottom of the form, there is a purple button labeled 'Register now!'.
